# Technology

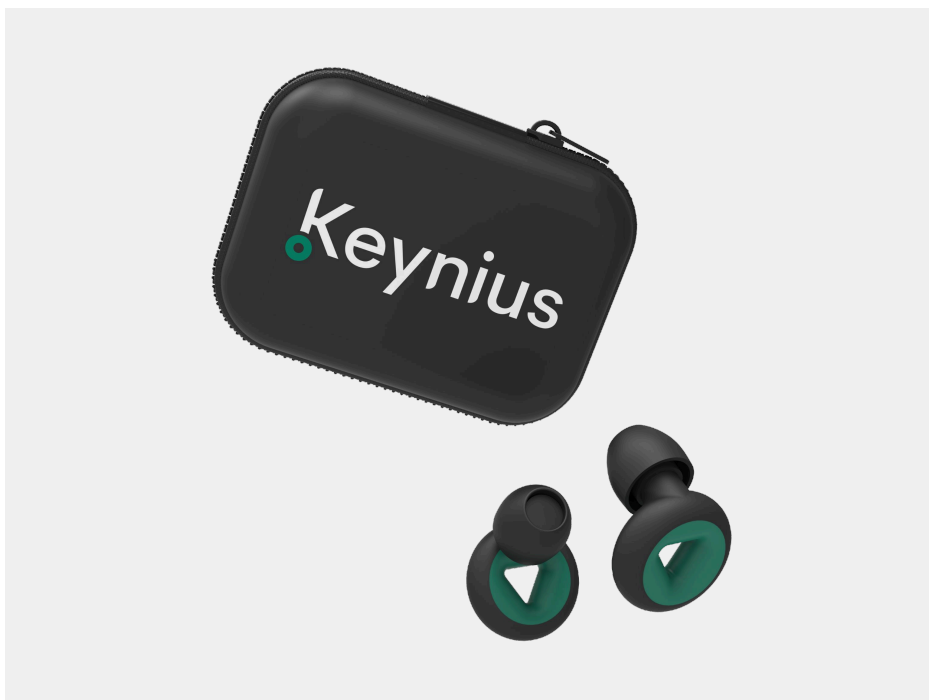

Distributing ear protection has been very important for many years. Nowadays it is also essential that this can be done quickly, easily and safely. Our dispenser technology ensures seamless distribution of ear protection with a focus on speed and convenience.

## Payment Terminal - Contactless & PIN

All-in-one Android payment terminal suitable for unattended environments and outdoor use. It allows shoppers to pay by swiping, inserting, or tapping their card or mobile wallet.

- Cellular Communication antenna
- Sim card (pre-installed)
- Barcode/QR code scanning camera (optional)

## Ear Guard

Enjoy the music without the ringing afterwards. The ear guards are designed for decreasing music volumes while keeping the sound clear and balanced.

- Reusable ear plugs
- Customisable fit due to additional ear tips
- Balanced protection and sound clarity
- Pocket size protective case
- Easy to clean
