Size	External Height	External Width	External Depth	Internal Height	Internal Width	Internal Depth
S	225 mm	500 mm	650 mm	208 mm	434 mm	604 mm
M	300 mm	500 mm	650 mm	283 mm	434 mm	604 mm
L	900 mm	500 mm	650 mm	890 mm	434 mm	604 mm

The Traveler Standard Edition

The Traveler Standard Edition is built specifically to handle guests traveling with large luggage. Complete with 28 large-sized lockers and 16 medium-sized lockers, it's the perfect mix to solve early check-in and late check-out requests, or giving guests staying in shared occupancy rooms extra security.

Made from high-quality steel and pre-built with a Smarty touchscreen and a contactless payment terminal, The Traveler is a plug and play offering that provides a 24/7 self-serve solution, simplifying your guest experience, freeing up your staff, and generating your hotel additional revenue.
